Old Boys' Golf - 11th Annual

Wednesday, June 17th, 1987

This year marks the 11th Year that we have held our **Annual Golf Tournament**. This year Tom Sheedy and Wayne Horan are preparing for this event and we hope to have a lot of surprises in store for those who come out and support this day of fun in the sun.

We have once again reserved the 1st Tee at **CARRYING PLACE GOLF & COUNTRY CLUB** on **Wednesday, June 17, 1987**, for St. Michael's Old Boys' and their friends. Following the day of golf, we will gather for dinner at 7:00 p.m. in the Dining Room. As in the past, we will see to it that each player who participates will get a prize. To assist us in this aspect of the tournament, we are asking that each and every player participant bring a prize this year.

Now is the time for you to mark the date of **Wednesday, June 17, 1987**, on your calendar so you won't forget to join us for this year's **Golf Tournament**. Those of you who have played in this event during the past ten years know that we have always had a good time. Talk to your friends now and arrange your groups. Remember, you don't have to be a great golfer to play in our tournament but you must want to have fun.

Be sure to pencil this date on your 1987 calendar. Each year we edge closer to the magic "100" entries (last year was 93). This year will mark the return of some of our most successful draws ... (the putting contest got so heated last year we almost had to call it on account of darkness). Also included will be the "Longest Drive" and "Closest to the Pin" as integral parts of the day's fun and competition. Select a foursome and let us know the time you would like to tee off. Any prizes would be greatly appreciated and duly acknowledged. Please contact Wayne Horan for donations (Bus. 745-2244, Res. 497-6386). So hurry hurry, don't delay ... the Banner was late enough already.

Golf Tourney - Bulletin

There's more to this event than just fun in the sun . . . yes, that's right, you guessed it! Father O'Brien is making plans to be there and he will be unveiling his latest fashion lines . . . (rumour has it that it is a crested ball cap . . . but we'll just keep that under our hats for now). So plan to attend so as not to miss this unique opportunity to upgrade your wardrobe.

Father Bill will be sure to have your size and he will be happy to accept cash or cheques as he furthers his one-man campaign towards total independence for the school. Support the event and support the cause . . . what would fellowship be without a little fund raising anyways?

MEMBERSHIP RENEWALS

Your continued support through membership fees is greatly appreciated. It plays a very important part in our efforts to keep the Old Boys' Association operating. The present level of the Scholarship Funds which we have been donating to the School is also a reflection of your support.

HAVE YOU SENT IN YOUR \$15.00 MEMBERSHIP FEE?

Send it to: Banner Editor, St. Michaels College School, 1515 Bathurst Street, Toronto, Ontario M5P 3H4.

Please Note

The Scholarship Draw will not be held at its usual time this year. Stay tuned for bigger and better things to come in the future.

Cross Country 1986-7

The Blue Harriers once again had another ho-hum season as the Midgets and Juniors merely won their respective T.D.C.A.A. titles while the Seniors finished second. St. Mike's won its eighth consecutive T.D.C.A.A. overall crown; a mere 100 points ahead of runner up Upper Canada College and 300 points ahead of third place Henry Carr. The recent successes bring it to a grand total of 26 titles for SMC's Harriers in the last eight years. At the Provincial Championships, the Midgets finished fifth, the Seniors were seventh and the Juniors capped off an undefeated season by besting the defending Junior Champions from Tillsonburg by fifty points. So once more, the Blue Harriers have brought O.F.S.A.A. gold home to Bathurst and St. Clair. This last victory marks the fourth O.F.S.A.A. Championship won by the Blue Harriers in the last six years.

Editor's Note: Apologies to Emile John, Rod MacDonald and Peter Fonseca whose stellar performances in Track & Field didn't make the last issue.

Congratulations to all!

A Glimpse Into The Past

While many say "you can't go back", I recently had cause to disagree with this platitude. For most alumni, their only visits to the school are for evening events like the Turkey Roll when the school is full of grads but usually devoid of students (that is unless of course Coach Dan is trooping a team through for a free post-game meal).

Along with assuming the editorship from Joe Younder (I think I was voluntold), also came the duty of liaison with the school. This provided the opportunity to drop by during office hours to pick up information and all of a sudden, I found myself back in time.

It seems little has visually changed in the school in the seventeen years which have passed since I left. Masses of blue blazers and grey flannels scurrying down the halls, mounds of books and deafening chatter . . . and yes, you can still pick out the "niners" (do they still sit in the bleachers I wonder?).

I looked down at myself in surprise to find that my attire for the day was appropriate; blue blazer, grey flannels - you almost feel like taking in a class or two . . . some chips and gravy perhaps . . . no . . . that would be pushing it too far!

So you can go back . . . after a fashion . . . and I highly recommend the experience as the height of nostalgia (and nowhere near as trying as Trivial Pursuits). Maybe we should plan our next reunion activity around a Saturday morning detention (do you think they still call them "jugs"?)

News From You To Us

Jack Lonergan ('47 to '51) writes us from Toronto. Jack and his wife, Sandy, have four children (all attended Michael Power and St. Joseph's). Jack keeps himself busy with Jaclon Realty and, as if that's not enough, he's lending his capable executive talents to Team Canada/World Cup in the soccer world as well as serving as Director for the St. Mike's Junior "B" Hockey Club.

John R Prendergast drops us a line from Calgary and sends his best to one and all (especially Dan 'cuz he has such a good name). John busies himself as the Director of Export Development for the Teknica Resource Group. John's brothers (Joe and Bill) are also in Calgary and they too send their regards.

An Evening With The Old Boys

Very dutifully, one evening a month, the Alumni Association gathers to do business (this demanding schedule usually necessitates that they take the summer off to recover). The time is somewhere around 6:00 p.m. (it would seem that many members have difficulty defining just when 6:00 p.m. really is though).

The Boys drift in one by one after completing their appointed rounds for that day and gather in the Old Boys Room which is nestled in the south east corner of the arena above the entrance and overlooking the ice. The walls are lined with a massive collection of photos of grads who have gone on to make a name for themselves and the school, particularly, as you might expect, in the world of sports, especially hockey.

Imagine, if you will, everyone from Red Kelly to Shawn O'Sullivan, Tony Tanti when he was still Anthony, Dave Keon and Big M, all the Dineen Boys. The gallery, a virtual hall of fame in itself, reminds one of the noble tradition of success in athletic endeavours that is so much a part of the school fibre. One feels almost dwarfed surrounded by the presence of so much greatness.

The members continue to drift in exchanging greetings and shop talk and, of course, there's the traditional pre-meeting fine dining . . . someone runs to Loblaws for cold cuts, buns and potato chips while someone else frantically searches out the mustard and napkins that were surely left over from the previous meeting.

With all hopefully present and accounted for, it's almost time for business but not before a prayer from Father O'Brien, our co-moderator. Harry Flood finds himself a comfy corner to take minutes while Ivan Wismayer busies himself with the banking agenda items. President Rob Grossi calls the meeting to order and we're off to the races, but all according to proper parliamentary procedure, of course.

Moderator Father Volpe keeps us abreast of what's happening in the school and brings the mail. Ken Hannan, the new Blue Banner editor, scrambles through the letters hoping to find some news from you to us so he can fill out his next issue and carry on the fine traditions so well founded by Joe Younder.

Paul Grossi is there to lend his capable executive talents. Many have contributed in the past. All are characterized by an altruistic motivation of giving something back to the school which has given so much to so many.

The agendas are often similar. Some fund raising ideas, rehashing past events and planning future ones. A few hours and it's over till next month.

The cold cuts are cleaned up and the minutes are taken. Harry's off to his Go-Train and the rest off to their cars - except for Father Bill and Father Rocco who are off to residency.

You pause again and consider the pictures . . . Leo Rautins, Paul and David Gardner, Father David Bauer . . . the tradition continues and we're all proud to be a part of it.

The Student Government

Notes from the school advise us that the Student Council is not just another dance committee. The current crop of dedicated young men have expanded the range of service to their fellow students to one of service to their fellow man. These efforts include support of a Foster Child, assistance for the Sick Children's Hospital Fund Raising and contributions to food drives for the needy. The Student Council also lends its support to the school spirit efforts of effective publicity and attendance for St. Mike's athletic endeavours. Congratulations on a job well done and continuing fine traditions.

Kevin Anderson Ordained

We were pleased to hear from Father Kevin as he shares his feelings with us on his ordination. Kevin's calling began with the atmosphere of faith and vision he encountered at Saint Michael's. While the calling is a very personal experience, Kevin reminds us that being a priest means bringing one's faith into the community and helping others along, a good reminder to all of us that we must live our faith. The traditions of St. Mike's are varied and Kevin is in fine company. We send our congratulations and our prayers along to him.

Alumni Achievements

A pioneer work on Italian-Canadian writers has been edited by Joe Pivato ('66), now a professor of English and Humanities in Edmonton. The book is called "Contrasts: Comparative Essays on Italian-Canadian Writing" and is devoted to the study of writers of Italian background publishing in English, in French or in Italian. The collection includes ten contributors from across Canada, among them Frank Paci, a graduate of St. Mary's College, Sault Ste. Marie, and St. Michael's College, U of T, and Alexandre Amprimoz, formerly a teacher of Assumption College School, Windsor, with an M.A. from the University of Windsor. The Basilian roots are strong in the book as it includes work on Pier Giorgio Di Cicco, B.A., St. Michael's College, and Mary di Michele, M.A., University of Windsor.

Copies of this book should be available at better Canadian bookstores or from the publisher, Guernica Editions, P.O. Box 633, Station N.D.G., Montreal, Quebec, H4A 3R1. Write to Joe Pivato at Athabasca University, 10324 Whyte Avenue, Edmonton, Alberta, T6E 1Z8.

Grad Profile

At 23 years of age, Arthur Rubino has become one of Provincial Real Estate Limited's most profound and successful real estate representatives.

After embarking on a career prior to university which was motivated by his father, Arthur Rubino displayed to homeowners that at such a young age he has all the qualities of a genuine problem solver. He takes peoples' fears and problems and turns them into yesteryears resolutions.

Prior to attending the University of Toronto and graduating with a Bachelor of Applied Arts degree in Economics and Commerce, Arthur Rubino at 18 years of age was well on his way to learning all aspects of real estate and home buying and selling.

"Obtaining my license was the best thing that could have happened to me," said Rubino. He says it helped him through university to pay his yearly tuition fees working part-time with his father's company, Provincial Real Estate, and gave him a real understanding of the concept of business and how rough it really is out there. Helping him cope with the realities of what most young people in the work place today experience many years later in their working lives.

Prior to real estate school and university, Arthur attended St. Michael's College where he graduated with honours. Arthur attributes a large portion of his success to his father Lino who started Provincial Real Estate in 1974.

"In my years of growing up I was always taught how to deal with people and the different situations surrounding each individual. My father believed high success was determined by the amount of people that walk away happy. This was your ticket to continue prosperity not only for the client but also for yourself. I was always able to work under a professional business atmosphere and that is what has been instilled in me."

At 23 years of age, Arthur Rubino has sold over 12 million dollars worth of gross real estate through new and resale homes. "This is a conservative figure," Rubino said, "since we have only completed 10 months out of this year, 1985." Rubino has established for himself a sound base in the Woodbridge/Vaughan area. Rubino also stated that this is not where he plans to stop. Provincial does, at present, most of the selling for Regal Crest Homes based in Woodbridge. He says, to-date, we are receiving many new enquiries from builders interested in our services. "The competition is tough out there when you are up against our companies and agents who promise people the impossible." But Rubino assures us that the Provincial Real Estate team will always be a professional team in all their future endeavours.

Keep up the good work.

News From You To Us

We were all glad to receive the news by mail recently from Father Whelan who writes us as he recovers from a recent operation. Many remember Father Maurice for his golfing prowess and yearbook efforts, but many more, like myself, remember him fondly for the way in which he, in a style all

his own, could hand you back a math test with a poor grade and advise you to "get a wheelbarrow".

I'm sure you all join us in sending along our sincerest wishes for recovery to Father Whelan along with some well deserved prayers.

With the co-operation of the Old Boys' Association, the Archives Department of St. Michael's College School has done considerable research in year-books, student-registers, etc. in order to establish a definitive list of the names of former students who made the supreme sacrifice in World Wars I and II, and in Korea. In their honour, a memorial will be erected at the school.

We publish here all the names of persons whose status as students at St. Michael's we have been able to verify to date.

We request the co-operation and contribution of members of the families of the deceased, of their descendants, class-mates, and friends who may wish to send us pertinent information, memoirs, anecdotes, and especially pictures.

We are particularly interested in verifying the status of bona fide students at St. Michael's of the following persons:

Some Things Change, Some Things Remain The Same

A recent visit to the school showed quite visibly that while some things change some things never do. The festooning of the hallways for student government elections will seemingly never change. A countless multitude of posters and flyers advocating one candidate or another cover the surface so completely that the yellow bricks are almost invisible. The wit and humour of these pleas for voter support is the same as ever though the names of the candidates themselves sometimes changes.

In the visible change department though is the school chapel. Under the capable hands of FATHER PAUL SHEEHAN the chapel is undergoing some startling renovations. FATHER PAUL and his graduate student work crew have added a dimension of increased space and beauty to the chapel. Work has also included the addition of a choir loft which will house a new organ on a balcony level. The work is still in progress and due for completion this summer. Even though its under construction the chapel is still in use for daily mass for the students.

Computer Update

Your Old Boys' Association is continually trying to update their computer files in an effort to be better able to communicate with those who have passed through the halls of St. Michael's College School, either downtown on St. Joseph's Street prior to 1950 or at Bathurst Street after 1950.

A major task in maintaining contact with former students is locating where they have moved to when they left St. Mike's and eventually left home. Many of our **Blue Banners** are still being sent to your parents' homes. If your copy is reaching you in this manner then why not drop us a line and give us your correct address.

Hoop Scoop

St. Michael's closed off one of its best seasons ever on the courts with the Senior, Junior and Bantam teams all capturing T.D.C.A.A. Championships. Paul Dignan's Bantam Blue Raiders were 33 and 2 overall with an undefeated record in league play. Watch for these names in the future: Anthony Barbieri, Ray Baboo and Roger Thurston. The Junior Blue Raiders, led by the backcourt duo of Sammy Primono and Carlo Esposito, were 25 and 6 overall. Coach Dave Tessaro's Juniors were a relentlessly determined team, showing character in playoff matches by overcoming a 10 point deficit with just over two minutes remaining in a comeback 65 - 61 win over Cardinal McGuigan. The Senior Blue Raiders finished the season with a 20 and 0 record beating Don Bosco 64 - 39 in the final. The Raiders represented the T.D.C.A.A. in the O.F.S.A.A. Basketball Championships in St. Catharines. The Seniors carried on to the semi-finals defeating Oshawa O'Neill, Runnymede C.I. and Hamilton Scott Park before bowing 65 - 52 to Scarborough's Stephen Leacock. The Raiders defeated Oakwood C.I. 75 - 60 to take the bronze medal. Raider centre, 6'9" Bernard Jackson, capped off an outstanding season by accepting a basketball scholarship from Cornell University. The future looks rosy for the Raiders with 6'6" Jeff Zownir and forward Roland Semprie both returning. Also returning is slick point guard Mike Lavelle, son of the former coach and teacher of the same name. Mike is considered one of the finest point guards in the province.

Swim Team

The Blue Whales of Saint Michael's performed well in the T.D.C.A.A. Championships finishing third in the Senior Division, winning and setting records in the Junior Division, and ending up fourth in the Bantam Division. The Junior records were set by Ed Van Zyl, Sean Fitzgerald and by the 4 x 50 freestyle relay team with Ed, Sean, Donnie Wai and Matt Matter. In the Senior Division, Eugene Wai captured the 50-metre butterfly, the 50-metre backstroke, the 100-metre I.M. as well as a silver in the 100-metre backstroke. Congratulations to coaches Wai and Fitzgerald and moderator Father Mulcahy who assembled the team that won athletic glory in the pool for St. Michael's.

Like to help . . . give us a call and get involved. Call Father O'Brien at 653-3180 and join the next meeting.

The Turkey Roll

We thought it appropriate to remind you all a little earlier this year about the annual Turkey Roll - why not mark it on your calendar now and plan to attend - this year the first Friday in December will fall on the fourth - now don't you say you haven't been forewarned.

Great debate has arisen over the dwindling numbers of the past few years with many of the opinion that R.I.D.E. programs have caused many to stay away. Why not plan on attending in a group with a designated driver - after all, the outing is always more fun when you bring along the familiar faces of a few ex-classmates. The school is well served by transit and the organizers are always willing to assist anyone who needs a cab.

The Turkey Roll, it should be remembered, is an evening of fun and friendship - it is not intended to be a fund raiser (beyond the fact that it's a good time to pay your membership and do some business with Father O'Brien's Haberdashery). For those of you who have never come out, the Turkey Roll refers to the one time tradition of rolling dice with classmates of your graduation year towards the end of winning a Christmas turkey. Times and traditions have changed somewhat - (with a little legal nudge from the powers that be) - we now raffle the birds by betting on numbers; you can walk away with a twenty-five pound dinner for as little an investment as two dollars (if you're lucky).

Another popular feature is the assorted games of chance featured on this "casino" style nite - the gym has nothing on Las Vegas (Lost Wages) but it serves the purpose. Chip values are nominal so the games are just for fun (even so, some do take it rather seriously).

Refreshments are available from a cash bar throughout the evening - these too are kept to nominal cost to break even - with soft drinks provided free to all drivers, of course. The evening would not be complete without a visit to the cafeteria - (sorry, no chips and gravy) - but a generous supply of cold cuts and the like is always available.

It's a great opportunity to renew old acquaintances or make new ones. You can swap business cards and lies - if you haven't attended before you'll be surprised by how friendly some of your old teachers can be in real life.

So please make an effort to come out - remember you don't have to be old to be an Old Boy. If you can't find an ex-classmate then just grab a friend and come along and look for them. Make a point of joining us for an evening of the fun and fellowship that the tradition of the Turkey Roll really is. Give us a call if you'd like to get involved. But by all means don't miss it - **Friday, December 4th - The Annual Turkey Roll** - the tradition continues, be a part of it.

Entertainment Tonite

Under the heading of Arts, Drama and Music it should be mentioned that the school has staged yet another successful presentation with their adaptation of SOUTH PACIFIC. Not to be outdone the ITALIAN DEPARTMENT and CLEMENTE GRASSI have put on QUEL BANDITO SONO IO. The School Band is keeping busy with their SPRING FESTIVAL and speaking of entertainment . . . where are they now . . . BRIAN MACKAY can be found at the LIMELIGHT THEATRE in a production of the MUSIC MAN.

Cost? Fifteen dollars each. Mail Orders? Yes, indeed! Postage and handling oblige us to ask \$16.50 with cheques payable to Rev. W.H. O'Brien, C.S.B. Send your order to him here at St. Michael's (and don't forget your full mailing address complete with postal code!).

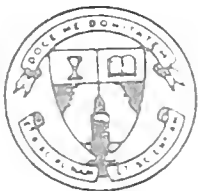

And . . . Coming Soon . . .

You already have a tie you say . . . well step into Father Bill's Haberdashery for collectibles with sartorial splendor . . . your summer won't be complete without a crested ball cap . . . and no Christmas list should be without our scarf . . . watch for them.

The Class Of Fifty-Seven Reunion

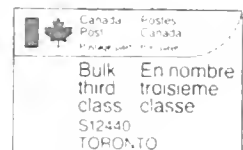

Please be advised that the executive services of Father O'Brien, our own archivist extraordinaire, have been retained for this event. Interested parties for this event can also

contact Father Bill at St. Mike's at 653-3180 as he has volunteered his capable services as in-house liaison for this project.
